

To
The Principle,
DPS, Anandapuram,
Visakhapatnam.

Respected Sir,

Request you to provide us with information on the following aspects, before we decide to pay fees to the school. Many of the points have already been put forth previously individually and by association.

1. Please provide the direct contact details of SMC members (not the email address which is fully under the control of the school and its staff) with us to discuss our concerns.
2. DPS Anandapuram affiliation with DPS society, New Delhi. Pls show us your renewal or validity of agreement date with them because our school is not found on their official website i.e <http://dpsfamily.org>. They are claiming that any school whose details are not present on their website is fraudulent and not a DPS society school.
3. MOM of SMC meetings held over the last 4 yrs(As parents we are entitled to have the information).
4. Fees structure approval letter from District Fee Regulatory Committee (DFRC) of the government for the last 5 years.
5. Proof of Regularized Fee structure approval. Otherwise, fees of the school are unregularized, therefore illegal.
6. Constitute the Parent-Teacher Association as per the guidelines of CBSE and NCPCR as requested earlier.

The school has the moral obligation to reply to parent's concerns, else there is disobedience, disrespect, and deficiency of services by the school, hence we are not paying fees unless the school comes out with satisfactory answers.

Rgs,
