To,
The District Education Officer,
Visakhapatnam.

We the parents of Delhi Public School anandapuram, multiple times brought to your notice about the said school harassment, and illegal acts in the format of Representation in writing, under 'Spandana' grievance, and Emails, so far you did not take any proper action.

It is relevant to mention here that according to two major Acts for the protection of child rights, Right to Education (RTE) Act, 2019 and the Juvenile Justice (Care and Protection of Children) Act, 2000, corporal punishment is a crime.

Section 17 (1) of the RTE Act is designed to protect a child from physical and mental harassment while Section 23 of the Juvenile Justice Act can ensure punishment.

The District Education Officer is the competent authority to inquire into and thereafter issue notice to pass the proper order under the RTE Act 2019 in the best interest of the Child.

Due to the circumstances, we are under the impression that your office is actively delaying the procedures in connection with our complaints such as issuing show cause notice, conducting the investigation and recording the statements of victims under the RTE Act 2019, etc, and further extending cooperation to the school management by all means. Your office deliberately suppresses the grave ingredients in the complaints such as "**Mental Harassment**", "**Sagregeting Children from the classroom**", "**Ignoring the child**", "**Showing discrimination**" etc.

Therefore, we are requesting again to take proper action without any further delay.

A few Issues for your quick reference:

1. Action against violation of Child Rights
2. Instructions to constitute the "**Parents Teacher Association**" as per the guidelines of NCPCR under RTE Act 2019
3. Instruct to publish all your orders/Instructions at the school website and school CRM since more than 80% of students attend the classes Online.
4. Restrain the school to publish unauthorized School fees structure on their website "www.dpsvizag.org" and other marketing/promotional materials.

Thanking you Madam.

President, Secretary, and other members

Delhi Public School Anandapuram Parents Association (No: 782 of 2021)

Copy to:

1. The District Collector, Visakhapatnam. For necessary action.
2. Principal Secretary to Government, Department of School Education. For Information.
